

A0041 BLUE SILICONE HEATER HOSE

Rubberworx heater hose boasts a thicker wall for superior pressure handling compared to standard hoses. Built strong and reliable, it endures the harsh conditions of engine environments, resisting hardening, cracking, and leaks. Plus, it remains resistant to aging and chemicals, including coolant additives.

TUBE: Red Silicone
REINFORCEMENT: 1 Ply Polyester Fiber
COVER: Blue Silicone
TEMPERATURE: -65F° to 350F°
